

THE BELLWS

SEPTEMBER, 1987

PUGET SOUND PHOTOGRAPHIC SOCIETY, INC.

VOL. VIII, No. 12

WELCOME BACK: IT'S THE START OF OUR NINTH YEAR!

Our first meeting of the new year will be Thursday, September 17th at the Auburn Public Library, 808 S.E. 9th in Auburn. As always starting time is 7:30 pm. Remember to bring your items to sell or trade. (President Dave has a LARGE number of 35's at very low prices!) (For once!)

Don Tempel is to bring the goodies and Wayne Hooper will bring the beverage service. Thank you both.

TURN ON THE SPOT LIGHT:

Steve Fischer will be in the spotlight this month; giving us the five minute story of his life and how he became a "camera nut"!

DON'T ASK FOR WHOM THE BELL TOLLS...IT TOLLS FOR THREE!

That's right! The program this month is all of us with our tales of the summer hunt, shows, trips and little old ladies with attics full of Leicas. Bill Kimber will lead the way.

THE PRESIDENT SPEAKS:

Welcome back old and new members. I'm looking forward to seeing you again and finding out what the summer brought your way. We ARE IN NEED OF A NEW PROGRAM CHAIRMAN with the retirement of Gary Sivertsen after several years of dedicated duty. Remember, that our club swap is coming up on Saturday, October 17th at Kent Commons. Our Spring Show is scheduled for April 30th. With the addition of a second room we will be able to handle all comers. It should be quite a year!

"DUTCH" VANLIESHOUT : A MEDIA STAR

This summer the Great Falls Tribune did a long, interesting feature article on member "Dutch" complete with LARGE color photos showing portions of "Dutch" and his extensive collection. It will be at the meeting for your reading pleasure.

MARLENE SAYS "THANKS"

For all your kind thoughts, the wonderful clay pot of flowers (Dave picked it out himself), the calls and cards. If you have not heard, she had to have emergency open heart surgery on the 14th of August. As she says "it was a very ugly bit of business" and she will be sometime recovering. She does have energy enough to whisper that we have a few of McKeown's 1987-88 Price Guides left at \$15 for soft bound and \$20 for hard cover. That's member prices of course.

OTHER IMPORTANT STUFF

FOR SALE: Pair of huge plano-convex condenser lenses in hinged wood frames for 8 x 10 enlarger (by Flomer & Schwing), \$35. Can
